

# Think about your opinion again!

Have you read our website?

First, you had better write down a below box about your thinking through Naruko and Takao's session.

In addition, write down their opinion.

## The point of the issue

- There are little society system for elementary schools.

- Many mothers are afraid of taking care of their children.

- Men don't play a part in child care.

- What systems do we need in the future?

You have finished?

Secondly, will you talk the matter out with your friend?

It makes your understanding deeply.
