

Greening in various places

Rooftop and terrace greening

Most of Otemachi's buildings are rooftop green.

Shooting location : Shin Marunouchi building

Greening on the side of the building

Not only on the rooftop and the terrace, there are plants on the walls.

Shooting location : Shin Marunouchi building

Greening along the street

In the Otemachi area, trees are planted enough that you can always say on the road.

Shooting location : Shin Miyuki street etc.
