Let's make manuscript for authors

We affirm and deny about _____ under three issues.

I will explain in detail three issues.

About the first _____.

About the second _____.

About the third _____.

Let's examine the data that serves as the basis for three arguments

Let's always write the source in the data.

Example: ○ ○ Newspaper 20XX year X month month XX date morning paper
From http://○○.jp/△△.html
