Futuristic expectations of the other

Let's predict some of the opponent's arguments.

| |
|--|
| |
|--|

An objection to the opponent's argument

Let us write refutation based on the expectations of the argument.

Collect the data necessary for refutation

Let's always write the source in the data.

Example: ○ ○ Newspaper 20XX year X month XX date morning paper

From <http://○○.jp/△△.html>

Notes
